Dear CCHS Families,

As we approach the end of the school year, I wanted to take this opportunity to thank the many families who generously supported the CCHS Annual Appeal, the only all school fundraiser administered by the Parents Association.

While the campaign continues until the end of June, to date we have raised over \$30,000 towards our \$35,000 goal! 100% of the money raised through the Annual Appeal is used to benefit our students in the form of faculty, staff and administration grants. In the past year, students have seen the installation of several Active Boards, electronic black boards which record and replay lessons, problems, assignments and notes written during classes. Three more Active Boards are on the way. Students have benefited from the purchase of digital microscopes for the Science Department, potters wheels, storage drawers and photography equipment for the Art Department, a multi-media system for the Social Studies Department, and a new school store for the Special Education Department. Updates have been made to the Library, the Music Department, and the Radio Station and the Challenge Program has brought two groups of students on ropes course expeditions. **We have made a phenomenal difference in the quality of programs and services available to our students!**

It's not too late to contribute to this year's campaign. No donation is too large and no donation is too small. Donations are tax deductible and we welcome corporate matches. Kindly make checks payable to CCHS Parents Association and mail to 70 Alford Circle, Concord, MA 01742.

Below you will see the list of the friends of CCHS who have generously donated to the 2005 campaign. We thank you for your support and look forward to adding more friends to our ever growing list!

Sincerely,

Karen Sabatino
